Appointment Reminders

You can receive an appointment reminder to your email address or your cell phone (via a text message) the day before your scheduled appointments.

Client name:

Where would you like to receive appointment reminders? (check **only one**)

Via a text message on my cell phone (normal text message rates will apply)

Your cell phone number:

Via an email message

Your email address:

None of the above. I'll remember my appointments on my own.
(Missed appointment fees will still apply)

As technology is never 100% reliable, the appointment reminder system is not fail proof. The client remains responsible for missed appointments should such a failure occur. Missed appointment fees will still apply.
